

Get Started with 90-Day Refills

Getting 90-day supplies of the medications you take regularly is easier than ever. You can choose convenient delivery by mail or pick them up at your local CVS Pharmacy® (including those inside Target stores). Either way, it's the same low price.

Why choose 90-day supplies?

- One 90-day refill typically costs less than three 30-day refills
- Choose delivery or pickup for the same low cost
- Get standard shipping at no extra cost when you choose delivery by mail
- Get peace of mind knowing you'll have the medications you need, when and where you need them

Getting started is easy

To fill your 90-day prescription by mail:

- Request a new prescription at Caremark.com
- Use the Caremark.com mobile app to submit a picture of your written prescription

To fill your 90-day prescription at CVS Pharmacy:

- Bring your new prescription to CVS Pharmacy
- Have your doctor call in or send your prescription electronically
- Call the number on your prescription ID card

Get started at [Caremark.com/Mail](https://www.caremark.com/mail) or download the CVS Caremark mobile app
