Security Awareness Training One-on-One

GENERATE A DISCUSSION...

- ☐ Why security awareness is important
- ☐ What types of sensitive information the employee deals with in their job
- ☐ Who would be affected if employee was hacked?

TAKE NOTES...

What Security Awareness trainings do you enjoy? How could these be better?

What challenges or barriers do you have around recognizing phish emails?

Have you recognized behaviors that impact your ability to identify phish emails?
(ex: using phone for email, rushing through email, etc)

CREATE A PLAN...

What would help you to identify phish & have more Security Awareness?

When would you like to implement those solutions?

DON'T FORGET TO SEND THESE FOLLOW UP ITEMS IN PREFERRED FORMAT (EMAIL, CALENDAR INVITES, TEAMS AGENDA, ETC)
